

Dipl.-Ing. Architect
Agatha Braun
Architect, BIM Manager

To expand our team we are looking for a **BIM Designer (m/f/x)**

Location: Stuttgart

What we offer

- The chance to play an active part in planning a sustainably designed environment
- Challenging assignments in an office with a team-based, interdisciplinary structure
- A permanent contract with long-term future prospects
- Opportunities for personal development and advancement within a global network
- Climate-friendly transport incentives (e.g. company bicycles and travel tickets)
- An office in an attractive location with excellent public transport links
- Contribution to the pension plan, sporting activities and several annual team events

Your responsibilities

- Processing of demanding international projects
- Creating 3D models and drawings
- Collaboration in quantity surveying and in the preparation of bills of quantities
- Plan management and project documentation

Your profile

- You'll have successfully completed your studies as a civil engineer or architect or finished an apprenticeship as a draftsman or technician
- You're a team player with first professional experience in a comparable position
- You have strong powers of spatial visualization
- You're familiar with CAD/BIM programs, ideally Solibri, Navisworks, Revit and Tekla
- You have a very good command of German and English
- You're ready to take on responsibility and play an active role

Werner Sobek is internationally synonymous with engineering, design, and sustainability. Our company is home to more than 400 employees and is represented on several continents. Our work is renowned for exceptional design based on outstanding engineering and integral concepts that minimise the consumption of energy and materials.

We look forward to receiving your application along with an indication of your salary expectations and your preferred starting date. If you have any questions, please do not hesitate to get in touch.
