

M. Sc. Thivya Athmanathan
Projektingenieurin / Structural Engineer

To expand our team we are looking for **Structural Engineers (m/f/x)**

Locations: Berlin, Frankfurt, Hamburg, Stuttgart

Our offer

- The chance to play an active part in planning a sustainably designed environment
- Challenging assignments in an office with a team-based, interdisciplinary structure
- A permanent contract with long-term future prospects
- Opportunities for personal development and advancement within a global network
- Climate-friendly transport incentives (e.g. company bicycles and travel tickets)
- An office in an attractive location with excellent public transport links
- Contribution to the pension plan, sporting activities and several annual team events

Your responsibilities

- Applying your engineering skills to help execute ambitious construction projects around the world
- Producing the calculations and conceptual designs for loadbearing and special structures
- Close cooperation with various disciplines within our company
- Communicating with architectural practices, clients and contractors
- Participation or organization of project meetings and site visits

Your profile

- You'll have successfully completed your education as a civil engineer (majoring in structural engineering)
- You're a team player who may or may not have professional experience
- You have strong powers of spatial visualization
- You're familiar with finite elements and CAD software
- You speak fluent German and have a very good command of English
- You're ready to take on responsibility and play an active role

Werner Sobek is internationally synonymous with engineering, design, and sustainability. Our company is home to more than 400 employees and is represented on several continents. Our work is renowned for exceptional design based on outstanding engineering and integral concepts that minimise emissions and the consumption of energy and materials.

We look forward to receiving your application along with an indication of your salary expectations and your preferred starting date. If you have any questions, please do not hesitate to get in touch.
