

Dipl.-Wirt.-Ing. (FH) Kerstin Labrenz
Accounting and Finance

To expand our team we are looking for **Accountants (m/f/x)**

Location: Germany (Stuttgart)

What we offer

- The chance to play an active part in planning a sustainably designed environment
- Challenging assignments in an office with a team-based, interdisciplinary structure
- A permanent contract with long-term future prospects
- Opportunities for personal development and advancement within a global network
- Climate-friendly transport incentives (e.g. company bicycles and travel tickets)
- An office in an attractive location with excellent public transport links
- Contribution to the pension plan, sporting activities and several annual team events

Your responsibilities

- Responsibility for day-to-day accounting and for the preparation of monthly, quarterly and annual financial statements in accordance with the German Commercial Code (HGB) for individual companies of various sizes
- Supporting the accounting of foreign subsidiaries
- Executing payment transactions
- Contact person for auditors, tax consultants and banks
- Collaborating on exciting projects, for example digitalization of accounting

Your profile

- You'll have successfully completed your commercial apprenticeship, ideally with further training as a balance sheet accountant or a comparable qualification
- You're a team player with several years of professional experience in financial accounting and annual preparation in a company with international orientation
- You have strong powers of spatial visualization
- You're familiar with the Microsoft Office Suite, knowledge of Microsoft Dynamics Navision 2018 is an advantage
- You have a very good command of German and English
- You're ready to take on responsibility and play an active role

Werner Sobek is internationally synonymous with engineering, design, and sustainability. Our company is home to more than 400 employees and is represented on several continents. Our work is renowned for exceptional design based on outstanding engineering and integral concepts that minimise the consumption of energy and materials.

We look forward to receiving your application along with an indication of your salary expectations and your preferred starting date. If you have any questions, please do not hesitate to get in touch.
