

Dipl.-Ing. Martin Groß  
Team Manager Facade Engineering

## To expand our team we are looking for **Facade Engineers with tendering knowledge (m/f/x)**

Location: Germany (Stuttgart)

### What we offer

- The chance to play an active part in planning a sustainably designed environment
- Challenging assignments in an office with a team-based, interdisciplinary structure
- A permanent contract with long-term future prospects
- Opportunities for personal development and advancement within a global network
- Climate-friendly transport incentives (e.g. company bicycles and travel tickets)
- An office in an attractive location with excellent public transport links
- Contribution to the pension plan, sporting activities and several annual team events

### Your responsibilities

- Supporting the in-house departments of architecture, structural engineering and facade planning in the preparation of the awarding of contracts as well as the awarding of construction services (LPH 6 and 7 according to HOAI)
- Consolidation, structuring and preparation of service specs incl. quantity takeoff
- Processing of preliminary remarks as well as evaluation of offers
- Preparing and executing of bid and award discussions

### Your profile

- You'll have successfully completed your education in the field of metal construction, civil engineering or architecture
- You're a team player with first professional experience in facade planning
- You have knowledge of AutoCAD and a tender software, preferably RIB ITWO
- You have a very good command of German and English
- You're ready to take on responsibility and play an active role

Werner Sobek is internationally synonymous with engineering, design, and sustainability. Our company is home to more than 400 employees and is represented on several continents. Our work is renowned for exceptional design based on outstanding engineering and integral concepts that minimise the consumption of energy and materials.

We look forward to receiving your application along with an indication of your salary expectations and your preferred starting date. If you have any questions, please do not hesitate to get in touch.
