

Oliver Göbel
CIO IT

To expand our team we are looking for **IT System Administrators (m/f/x)**

Location: Germany (Stuttgart)

What we offer

- The chance to play an active part in planning a sustainably designed environment
- Challenging assignments in an office with a team-based, interdisciplinary structure
- A permanent contract with long-term future prospects
- Opportunities for personal development and advancement within a global network
- Climate-friendly transport incentives (e.g. company bicycles and travel tickets)
- An office in an attractive location with excellent public transport links
- Contribution to the pension plan, sporting activities and several annual team events

Your responsibilities

- First point of contact for all IT-related inquiries and problems
- Supporting international sites via ticket system, telephone, e-mail and remote maintenance
- Maintaining access management (Active Directory)
- Troubleshooting of IT problems that occur on a daily basis

Your profile

- You'll have experience in user help desk, installation and maintenance of workstations, laptops, mobile devices and tablets.
- high understanding of service and a friendly demeanor
- quick comprehension, analytical thinking skills
- You have a very good command of German and English
- You're ready to take on responsibility and play an active role

Werner Sobek is internationally synonymous with engineering, design, and sustainability. Our company is home to more than 400 employees and is represented on several continents. Our work is renowned for exceptional design based on outstanding engineering and integral concepts that minimise the consumption of energy and materials.

We look forward to receiving your application along with an indication of your salary expectations and your preferred starting date. If you have any questions, please do not hesitate to get in touch.
