

Dipl.-Ing. Alexandra Mrzigod  
Project Manager

## To expand our team we are looking for **Sustainability Consultants (m/f/x)**

Location: Germany (Stuttgart)

### What we offer

- The chance to play an active part in planning a sustainably designed environment
- Challenging assignments in an office with a team-based, interdisciplinary structure
- A permanent contract with long-term future prospects
- Opportunities for personal development and advancement within a global network
- Climate-friendly transport incentives (e.g. company bicycles and travel tickets)
- An office in an attractive location with excellent public transport links
- Contribution to the pension plan, sporting activities and several annual team events

### Your responsibilities

- Developing sustainability concepts with a focus on gray emissions, emissions inherent in buildings, and circular construction
- Carrying out life cycle assessments to determine gray emissions
- Preparing material concepts for the purpose of emission reduction and recycling-oriented construction
- Preparing comparative studies and case study analyses
- Advising clients on the ecological optimization of projects

### Your profile

- You'll have successfully completed your education in the field of civil engineering, architecture or real estate management
- You're a team player who may or may not have professional experience
- You have experience in the field of life cycle assessment/sustainability and in planning of environmentally compatible buildings
- You ideally have knowledge of CALAA, eLCA or OneClickLCA, and „Ökobaudat“
- You have a very good command of German and English
- You're ready to take on responsibility and play an active role

Werner Sobek is internationally synonymous with engineering, design, and sustainability. Our company is home to more than 400 employees and is represented on several continents. Our work is renowned for exceptional design based on outstanding engineering and integral concepts that minimise the consumption of energy and materials.

We look forward to receiving your application along with an indication of your salary expectations and your preferred starting date. If you have any questions, please do not hesitate to get in touch.
