

Dipl.-Ing. Andreas Malcher  
Team Manager Bridge Structures

## To expand our team we are looking for **Project Manager Bridge Structures (m/f/x)**

Location: Berlin

### What we offer

- The chance to play an active part in planning a sustainably designed environment
- Challenging assignments in an office with a team-based, interdisciplinary structure
- A permanent contract with long-term future prospects
- Opportunities for personal development and advancement within a global network
- Climate-friendly transport incentives (e.g. company bicycles and travel tickets)
- An office in an attractive location with excellent public transport links
- Contribution to the pension plan, sporting activities and several annual team events

### Your responsibilities

- Project management in bridge planning, from the first draft to execution
- Designing and construction planning of engineering structures in all stages
- Holistic processing of exciting projects with experienced engineers and architects
- Project processing in BIM methodology
- Developing sustainable engineering construction

### Your profile

- You'll have successfully completed your education as a civil engineer (majoring in structural engineering)
- You're a team player with professional experience
- You're proficient in working with engineers, designers, planners and customers
- You have experience in developing detailed solutions
- You're familiar with finite elements and CAD software
- You have a very good command of German and English
- You're ready to take on responsibility and play an active role

Werner Sobek is internationally synonymous with engineering, design, and sustainability. Our company is home to more than 400 employees and is represented on several continents. Our work is renowned for exceptional design based on outstanding engineering and integral concepts that minimise the consumption of energy and materials.

We look forward to receiving your application along with an indication of your salary expectations and your preferred starting date. If you have any questions, please do not hesitate to get in touch.
