

Dipl. oec. Christian Kronwald
Director Finance & Purchasing, Associate Partner

To expand our team we are looking for a **Head of Tax and Group Accounting (m/f/x)**

Location: Stuttgart

Our offer

- The chance to play an active part in planning a sustainably designed environment
- Challenging assignments in an office with a team-based, interdisciplinary structure
- A permanent contract with long-term future prospects
- Opportunities for personal development and advancement within a global network
- Climate-friendly transport incentives (e.g. company bicycles and travel tickets)
- An office in an attractive location with excellent public transport links
- Contribution to the pension plan, sporting activities and several annual team events

Your responsibilities

- Management of the group accounting and tax departments
- Support for domestic companies and administrative specialist departments in all tax-related matters
- Responsibility for group accounting and preparation of the consolidated financial statements in accordance with German GAAP (HGB)
- Close collaboration with other financial departments, our international subsidiaries, and top management
- Coordination and cooperation with tax advisors, auditors, authorities, and fiscal representatives abroad
- Continuous optimization and development of processes and structures as well as the software used, with a focus on automation and digitalization

Your profile

- You have successfully completed your studies in business administration with a focus on finance or taxes
- You ideally have several years of professional experience in a company with international orientation
- You have very good knowledge of group accounting as well as German commercial and tax law
- You enjoy optimizations, challenges, and teamwork
- You have experience with consolidation software (preferably Lucanet)
- You have excellent knowledge of Microsoft Office as well as a very good command of German and English

Werner Sobek is internationally synonymous with engineering, design, and sustainability. Our company is home to more than 400 employees and is represented on several continents. Our work is renowned for exceptional design based on outstanding engineering and integral concepts that minimise the consumption of energy and materials.

We look forward to receiving your application along with an indication of your salary expectations and your preferred starting date. If you have any questions, please do not hesitate to get in touch.
